# Report of the School Board

For the Year Ending February 15, 1910

---

At the annual meeting of the district held March 4, 1909, Eddy W. Stevens was elected moderator and Fred A. French clerk. Arthur W. Davis was elected member of the school board for the ensuing three years. Milton N. Flint was elected treasurer for the ensuing year. March 8, 1909, the school board met and organized as follows: chairman, Milton N. Flint; purchasing agent, Fannie L. Shepard; secretary, Arthur W. Davis. The district was divided into three sub-districts as usual for special supervision and furnishing supplies as follows: Nos. 1, 2 and 9 to Fannie L. Shepard; Nos. 7, 8 and 10 to Milton N. Flint; Nos. 3, 4, 5 and 11 to Arthur W. Davis.

At a special meeting of the district held March 31, 1909, it was voted to dismiss the several articles in the warrant and continue this year under the old law.

Our schools have kept thirty-two weeks during the year with the exception of No. 10, where the spring term was closed two weeks earlier than usual on account of sickness. At No. 11 during the winter term there was a loss of three days caused by the illness of the teacher. Miss Alice Wiggin was secured as a substitute for the last three weeks.

We feel that as a whole the schools have made good progress. The teachers have been honest and conscientious in their efforts to a large degree. We have been much pleased with the marked interest shown in birds and wild

flowers in several of the schools. At the opening of the fall term it was deemed best to close No. 7 and open No. 6. The pupils in No. 7 were divided between Nos. 1 and 6.

On the 3d of Dec., 1909, our community was shocked to learn of the sudden death of Mr. Milton N. Flint. In his death we feel that the schools have lost a true friend, and the town a loyal citizen.

Dec. 5, 1909, the school board met and appointed Mary E. Manning, treasurer, to fill out the unexpired term of Milton N. Flint.

We would call the attention of the parents to the large number of absent and tardy marks. While there is an improvement over some years, there is yet much to be desired. A word of praise should be spoken for No. 7, as there were no tardy marks for the spring term. Another thing that appeals to us is the lack of interest exhibited in visiting the schools. While our total number of visitors may seem quite large, a very large per cent. of these visits have been made upon some special exercises, or at the closing exercises of the various terms. We do most earnestly ask our citizens to visit the schools during the working hours and see the methods employed and the interest shown by teacher and pupils alike. The board feels deeply grateful for the thoughtfulness of our citizens in saving so many of the school supplies at the time the town house was burned.

In accordance with school laws, as changed by laws of 1909, school boards are required to state in their annual report an estimate of the sums of money which will be required for the various items. Below will be found an estimate of the sums needed.

For teachers salaries.....	\$2,800.00
Tuition.....	500.00
Ordinary repairs.....	175.00

For books and supplies .....	\$ 150.00
Fuel .....	125.00
Miscellaneous bills.....	50.00
	<hr/>
	\$3,800.00

On the following pages will be seen the roll of honor, table of statistics and treasurer's complete report.

Respectfully submitted,

FANNIE L. SHEPARD,  
ARTHUR W. DAVIS,  
*School Board of Bedford.*
